ENERGY SUMMIT 2027

ALBUQUERQUE HISPANO CHAMBER OF COMMERCE

SPONSORSHIP PACKET

United States Hispanic Chamber of Commerce

6th Annual Energy Summit

APRIL 26-28, 2027

ELDORADO HOTEL AND SPA

Join us in our mission to accelerate small business growth and prosperity.

The United States Hispanic Chamber of Commerce (USHCC) champions the entrepreneurs driving America's economic future. We advance the growth, development, and interests of more than 5.8 million Hispanic-owned businesses that generate $832 billion in annual revenue and anchor a U.S. Latino economy estimated at $5.1 trillion. By advocating on behalf of 260+ local chambers and business associations nationwide and partnering with 100+ major corporations, we connect small businesses with opportunities to compete and grow. Through procurement and supplier engagement, business development, and pro-business policy, we work to turn entrepreneurial ambition into lasting economic opportunities.

2027 UNITED STATES HISPANIC CHAMBER OF COMMERCE ENERGY SUMMIT

The USHCC Energy Summit brings together stakeholders from across the energy sector to share insights on the emerging issues shaping tomorrow's energy landscape and to ensure Hispanic-owned businesses remain at the heart of the industry. As new pathways for energy expansion take shape, our annual event opens the door for members and attendees to connect and collaborate directly with energy industry leaders. The Summit sends a clear message: small businesses are not just beneficiaries of the energy transition—they are essential partners in powering a more resilient, inclusive, and competitive energy future for the United States. Join us at the 2027 USHCC Energy Summit and discover new ways to power the future of America's energy economy!
